Limited Warranty

Automotive Spare Tires

This policy applies to KENDA
automotive spare tires sold and used
within the USA and Canada only.

ELIGIBILITY

You are eligible for the benefits of this warranty (the "Limited Warranty") only if you are the original owner and consumer of new KENDA automotive spare tires, such tires bear the original Department of Transportation (DOT) – prescribed tire identification numbers, and such tires are on the vehicle upon which they were originally installed according to the vehicle manufacturer's or KENDA's recommendations.

WHAT IS WARRANTED AND FOR HOW LONG

Subject to the limitations contained in this Limited Warranty, your new KENDA automotive spare tires are warranted under this Limited Warranty against failures due to defective materials and workmanship for a period of six (6) years from the date of tire manufacture or three (3) years from date of purchase, whichever occurs first. Tire manufacture date is determined by the Department of Transportation (DOT) – prescribed tire identification numbers.

(A) **Eligibility:** A tire is eligible for warranty coverage under this Limited Warranty only if the tire is presented by the original owner and consumer within six (6) years of the tire manufacture date or three (3) years from date of purchase, whichever occurs first, the tire has a minimum of 1/32nd inch of tire tread depth remaining, and all procedures in this Limited Warranty are followed.

(B) **Free Replacement:** Subject to the limitations contained in this Limited Warranty, if a KENDA automotive spare tire fails due to defective materials or workmanship during the first 10% of tread wear, the tire will be replaced with a new comparable KENDA automotive spare tire without charge.

(C) **Treadwear Prorated Discount:** A defective tire that does not qualify for free replacement under (B) above, but that is otherwise eligible for warranty coverage under this Limited Warranty, will entitle you to a discount on the purchase of a new comparable KENDA automotive spare tire. The amount of the discount will be calculated based upon the percentage of tread

that remains on the defective tire. For example, if 60% of the original tread remains on the defective tire, you will be entitled to a 60% discount off of the retail price of a new comparable KENDA automotive spare tire. You are responsible for all labor costs for mounting, balancing and for all applicable taxes.

DEFINITION OF COMPARABLE TIRE

A “comparable” new KENDA automotive spare tire may either be the same line of tire or, if the defective tire is out of production or unavailable, a tire of the same basic or equal construction and quality with different sidewall or treadwear configuration. If a higher priced tire is accepted as replacement, you will be responsible for the difference in price.

COMPUTING TREADWEAR

Treadwear is computed as a percentage of the original usable tread. The original usable tread does not include the last 1/32nd inch of tread depth. KENDA USA shall make all determinations regarding treadwear and eligibility for warranty coverage under this Limited Warranty in its sole discretion.

WHAT IS NOT COVERED BY THE WARRANTY

This Limited Warranty does not apply to:

- (A) Damage, failure, or irregular or premature treadwear caused by, resulting from, or arising out of fire, accident, chemical corrosion, malicious mischief, vandalism, or road hazards. Example of road hazards include, without limitation, nails, glass, rocks, curbs, and other foreign objects and natural and manmade obstructions or obstacles such as excavations, construction, potholes, and chuckholes.
